Finals week 2, 2016

## Editorial

The U17s had a good win in their preliminary final, and will join the U13s in playing in the grand final this weekend. The U13s will play the Canada Bay Cannons at 10:00am, and the U17s (a Joint Venture with the Canada Bay Cannons!) will play the Forest Lions at 3:15pm. Both matches are at the Macquarie Uni grounds.

Don't forget the Club Presentation Day and AGM will be held on Sunday September 11<sup>th</sup> at ELS Hall.

## U17

Canada Bay Dockers 7-7 (49) defeated St Ives Saints 4-8 (32).

Sorry, but I can't make any comment about the game because I didn't get back from Melbourne in time to see any of it! I can tell you that the goals came from Lachie (3), Thomas (2), Harrison & Sam. I was also lucky enough to call in just in time to hear a rousing rendition the Club victory anthem.

Thank you to Jeff who put donned the manager's vest like an old pair of slippers and resumed efficient conduct of duties.

Thank you to Dean Lee who turned down an offer to wear #16 and run out with his oldest son for what might have been his 195<sup>th</sup> and last game of junior footy and opted to

run water instead.

Also thanks to the roving club photographer Michelle who took another cache of photos.

Apologies if I have missed thanking anybody who rolled up their sleeves to assist on the day.

So finally season 2016 comes down to Forest Lions vs Canada Bay Cannons, who'da thunk it?

The game is currently scheduled of FootyWeb for 3:15 September 4<sup>th</sup> at Macquarie University (on the Northern Oval, not the main oval).
